UPPER DAUPHIN AREA SCHOOL DISTRICT

NOTICE OF PUBLIC HEARING, NOTICE OF INTENDED REFERENDUM ON OCCUPATION TAX ELIMINATION AND EARNED INCOME AND NET PROFITS TAX RATE INCREASE, AND NOTICE OF INTENDED NEW TAX RESOLUTION

Notice is given that the board of school directors of Upper Dauphin Area School District (the School District) intends to adopt a Referendum Resolution to place a referendum on the November 4, 2014 ballot. The referendum will relate to elimination of the occupation tax and increase of the rate of the earned income tax collected by the School District. This notice is given pursuant to the Optional Occupation Tax Elimination Act, 53 P.S. Section 6924.401 et. seq., as amended (the "Act") and the Local Tax Enabling Act of December 31, 1965, P.L. 1257, as amended (the "Enabling Act").

The School District currently levies and collects an occupation tax on the assessed value of all occupations of persons residing in the School District. The current occupation tax rate is a flat rate of \$250.00 per person on the assessed value of all occupations of persons residing in the school district at any time during the school year. The School District currently levies and collects from School District residents an earned income tax at the rate of .5%. The earned income tax applies to earned income received and net profits earned by residents of the School District. An additional .5% is collected by the municipality in which the taxpayer resides, meaning that district residents currently pay a total tax rate of 1%.

The Act permits the School District to eliminate the occupation tax and replace the occupation tax revenues by increasing the rate of the earned income tax collected by the School District. This action may be taken if the voters approve the action by referendum. The School District estimates that replacing the occupation tax revenues will require increasing the rate of the earned income tax collected by the School District by .6%, from the current .5%, to the new School District tax rate of 1.1%. Adding the tax collected by the School District to the .5% collected by the municipality in which the taxpayer resides, the total earned income and net profits tax rate paid by district residents would increase from the current 1% to the new total tax rate of 1.6%.

Pursuant to the Act, the School District intends to adopt a Referendum Resolution directing a referendum on the November 4, 2014, ballot. The proposed Referendum Resolution to be considered by the board of school directors provides that the referendum question to be placed on the ballot shall be in substantially the following form, with such additions or changes as may be determined by the board of school directors or election officials prior to the election:

Do you favor eliminating the occupation tax by increasing the rate of the Upper Dauphin Area School District earned income tax from .5% to a new School District maximum tax rate of 1.1%, and a maximum new total tax rate together with municipalities of 1.6%?

The proposed Referendum Resolution will be acted upon at a meeting of the board of school directors of the School District to be held on June 26, 2014, at 7:00 p.m., at the School District Administration Office, 5668 State Route 209, Lykens, Pennsylvania. The board of school directors will also hold a public hearing regarding the proposed Referendum Resolution and elimination of the occupation tax and increasing the rate of the earned income tax. The public hearing will be held on June 10, 2014 at 6:30 p.m. at the School District Administration Office, 5668 State Route 209, Lykens, Pennsylvania. Interested persons are invited to attend the public hearing and make comment or ask questions concerning the elimination of the occupation tax and the increase in the rate of the earned income tax. The public hearing will be continued at the School Board meeting on June 26, 2014, at which time the board of school directors will take additional public comments and questions. A copy of the proposed Referendum Resolution to be acted upon by the board of school directors is available for public inspection by any resident at the school district administrative offices at School District Administration Office, 5668 State Route 209, Lykens, Pennsylvania on any weekday between the hours of 8:00 a.m. and 4:00 p.m. The proposed Referendum Resolution may be amended before final adoption.

If a majority of the electors voting on the referendum question on November 4, 2014, vote "yes," the board of school directors thereafter in April or May, will adopt a new Earned Income Tax Resolution eliminating the occupation tax and increasing the earned income and net profits tax rate collected by the School District to 1.1% effective July 1, 2015.

SECOND PUBLICATION

Miscellaneous Notices

Concerning the proposed earned income and net profits tax, the nature of the tax will be substantially the same as the earned income and net profits tax currently levied; however, the rate of tax will be increased. The tax is levied on earned income received and net profits earned by residents of the School District. "Earned income" is defined as: "Salaries, wages, commissions, bonuses, incentive payments, fees, tips and other compensation received by a person or his personal representative for services rendered, whether directly or through an agent, and whether in cash or in property," but not including certain receipts as specified in the Enabling Act. "Net profits" is defined as: "The net income from the operation of a business, profession, or other activity, except corporations, after provision for all costs and expenses incurred in the conduct thereof, determined either on a cash or accrual basis in accordance with the accounting system used in such business, profession, or other activity, but without deduction of taxes based on income." The tax is collected for the School District by the Dauphin County Tax Collection Bureau. Every resident of the School District is required to file a tax return on or before April 15 of each year reporting net profits earned and earned income received during the prior year and on such date to pay the tax or balance thereof due. Certain employers are required to deduct the tax from earned income of employees subject to the tax and to file reports and remit taxes collected to the Dauphin County Tax Collection Bureau. Under certain circumstances, taxpayers may be required to file quarterly estimated tax returns during each calendar year. The tax and requirements for taxpayers and employers are set forth in the Enabling Act, Regulations adopted by the Dauphin County Tax Collection Bureau, and the proposed new Earned Income Tax Resolution. As set forth above, the proposed new Earned Income Tax Resolution will provide a new School District tax rate of 1.1%. Adding the tax collected by the School District to the .5% collected by the municipality in which the taxpayer resides, the total earned income and net profits tax rate paid by district residents will be 1.6%. A copy of the Enabling Act and the Regulations may be obtained from the Dauphin County Tax Collection Bureau in Harrisburg, Pennsylvania. The full text of the proposed new Earned Income Tax Resolution implementing the increased tax rate is available for public inspection by any resident at the School District administrative offices at 5668 State Route 209, Lykens, Pennsylvania on any weekday between the hours of 8:00 a.m. and 4:00 p.m. The proposed new Earned Income Tax Resolution may be amended before final adoption.
