

Save the Dates

Even if it's a great older picture, do people recognize you when they see you in person from your picture in the bar web directory?

Dauphin County Bar Association

It's time to update our Web Directory portraits.

Pro Photographer, Victoria Friend, will be taking our members' portraits at the bar association.

**October 6-10
8:30am to 4:30pm**

Bar Association Conference Room
213 N Front St, Harrisburg, PA 17101

Please let us know if you plan to participate as soon as possible so we know how much time the photographer needs to schedule.

You may also call Portrait Pros staff at (800) 693-2306, ext. 1, or email Thom@PortraitPros.net.

Portrait sessions are by appointment with no waiting and only take approximately 15 minutes. You will be able to view proofs immediately and select your photo for the bar association's use.

There is no sitting fee charged for the picture that will go to the bar association to be used only for the Bar Association's purposes. They are released for bar assn use exclusively unless purchased.

If you wish to purchase photos for your *own* marketing, web, and print purposes, Victoria will be happy to assist you with your selections for your own media, as well as any retouching instructions, as you are viewing your portraits.

Copyright release is included on purchased images.
Retouching is available for a small fee.

This is a formal sitting and men are encouraged to wear a dark, solid-colored suit jacket and a favorite tie.

Ladies, as we don't have the same collection of colorful ties our male counterparts have, please do consider wearing some color by the face, even if it's only a bright collar or scarf under a jacket.

Please avoid plaid and herringbone on your jackets as they do not do well on digital.

Light colors like white, cream, and pastels add weight on camera.
