COMMENT

Paragraph (3) of this rule is intended to formalize a practice of long standing in Dauphin County as well as the majority of other counties. The proposed order should

identify the relief sought, e.g. continuance, rule to show cause, request status or discovery conference, amend a complaint, etc.

An accurate distribution legend naming all attorneys and self-represented parties and their addresses, telephone numbers, facsimile numbers and e-mail addresses, if any, is essential since the court is now assuming the responsibility for service of its orders. Inclusion of facsimile numbers and e-mail addresses is not intended to authorize service by these methods.

Paragraph (4) of this rule is intended to formalize what is now a hybrid process which has left some doubt as to the responsibility for service of orders.
