Mediator Experience:

I have served as a panel mediator for Resolute Systems, Inc.

Mediation Advocacy:

I have represented parties in more than 50 mediations over the past 10+ years. A large percentage of my mediation experience has been real estate related, representing real estate agents, buyers and sellers at mediations where resolving disputes developing from residential real estate transactions were core issues. I have also represented developers and investors in commercial real estate transactions.

I have also represented clients in employment disputes, both before the Pennsylvania Human Relations Commission and before private mediators. I have represented diverse subject matters ranging from dissolving a business, to resolving boundary disputes to mediating a settlement in a case in which the plaintiff was the victim of child sexual abuse.

The cases in which I have been involved have ranged from a few thousand dollars to a globally mediated resolution exceeding two million dollars.
