The DCBA is a professional organization of approximately 1,500 lawyers who actively engage in the Association's various programs of public service, professional development and personal interaction. Our members run the gamut from solo practitioners to leaders in large corporations to public servants. Among this diverse group, you will find a consistent commitment to the rule of law and the advancement of access to justice issues. The Dauphin County Bar Association is a state leader in Pro Bono activities, and it is known for the collegiality of its members.
