FOR IMMEDIATE RELEASE

APRIL 9, 2020

In response to COVID-19, the Cumberland County Register of Wills and Clerk of Orphans' Court offices remain **closed to the PUBLIC until April 30, 2020**, per Administration Orders from Cumberland County President Judge and Emergency and Sustaining Orders of the Pennsylvania Supreme Court. We are considered an essential office and must maintain a presence for processing EMERGENCIES as outlined in the above orders.

In an effort to support some continuity for emergent situations, we are offering video teleconferencing (VTC) and other electronic measures to provide services as needed. **Due to our limited staff, please check our website for up to date information and FAQs prior to calling.**

Phone calls: Calls will be handled during normal business hours.

E-mail: Email requests or questions to regofwills@ccpa.net so any staff on duty can assist you.

Research: We are working with our software vendor to provide certain documents for online access. Until that occurs, please use the [Research Request Forms](#) to request documents.

Mail: Mail will continue to be processed daily.

Probate: We are now offering virtual Probate by appointment only. If you believe your probate cannot wait until the office is open to the public. Refer to our instructions on [Probate VTC](#) for more information.

Marriage License: We are now offering virtual Marriage License by appointment only. At least one person **must be a resident of Cumberland County**. Confirm your marriage ceremony will still take place despite the current social distancing restrictions as refunds or reissuances will not be given. Refer to our instructions on [Marriage VTC](#) for more information.

Confirmation of Accounts: Confirmation of Accounts for April 28, 2020 is canceled. Those accounts will be rescheduled for the next Confirmation hearing on June 23, 2020. The deadline for that hearing is May 22, 2020.
