11:30 a.m. – Lunch 12:00 noon – Presentation

This program has been approved by the PA CLE Board for one (1) hour of substantive CLE credit for all attendees who participate in the complete program.

Join us to learn about our *unique pro bono opportunity of providing limited representation serving seniors through telephone-based services!*

SeniorLAW Center will train volunteer attorneys to provide legal counseling through the Pennsylvania SeniorLAW HelpLine, a toll-free telephone service offering free, confidential legal advice, brief services, information and referrals to those 60 and over throughout the Commonwealth of Pennsylvania.

Learn about the prominent legal issues facing seniors and the elder justice movement. This interactive course will focus on common areas of law requested by callers and the professional responsibility requirements of pro bono and helpline service. Participants will be trained on the logistics of handling a HelpLine call. Each participant will be able to choose the area(s) of law on which they will focus when counseling senior callers.

This is a **limited representation** opportunity. Volunteers are able to make their HelpLine calls from any location at times convenient to them.

Materials will be emailed to registrants by Monday, June 17, 2019. You may also find them on our website on the online events calendar page.

As always, the program will include lunch for attendees who have made timely reservations. Lunch cannot be guaranteed for late registrants.

The cost of the program will be waived for any attorney who is willing to assist with the SeniorLAW Helpline. Otherwise, the cost of the program is \$10 for student members, \$40 for members and \$55 for non-members.

Space is limited, so please register early.
