Oktoberfest

Oktober

Please join us as we present the winning volleyball teams with a trophy.

Free Parking will be available from 5:30 p.m. until 9 p.m.
at the
Pennsylvania Housing Finance Agency
211 North Front Street Garage
(The entrance to the garage is in the back of the
PHFA building on River Street).

Directions to PHFA garage:

__From Front Street:__   Turn left onto Locust Street, then make the first left onto River Street (an alley). Turn left into garage and follow *Parking Procedures* below.

__From Second Street:__   Turn left onto Walnut Street. Then make a right onto the next street (an alley) which is River Street. Continue on River across Locust Street. Turn left into garage and follow *Parking Procedures* below.

Parking Procedures:

To get __into__ the garage, you must punch the following access code onto the keypad (which is past the telephone keypad!) at the entrance:

3222# or if it's easier to think of this way - DCBA#

The "parking arm" will rise automatically and you may then proceed to any open space on the first three (3) levels.

You then take the elevator, or stairs, and proceed to the ground floor hallway ("cattle chute"), which leads to the rear door. The door will lock automatically behind you.

Returning to Your Car

To gain access to the rear door and get to the elevator, you must punch the following onto the keypad:

3222# or if it's easier to think of this way - DCBA#

The elevator will be at the first door on the left, and the stairs at the second door on the left.

Parking will be on the 1st, 2nd and 3rd level. The elevator will only stop on those floors.

As you exit the garage, both the mesh gate and the "parking arm" will rise automatically.
