We are very pleased to welcome as this year's homilist [Father David Link](#), J.D., LL.D., D. Litt., D. Sc., a priest of the Diocese of Gary, Indiana, and Assistant Director of Religious Services, Northern Region of the Indiana Department of Correction. Father Link, a widowed father of five and grandfather who was ordained to the priesthood at age 71, has a fascinating life and professional story. Among his many professional accomplishments, he was the Dean of the Notre Dame Law School from 1975 to 1999, the longest tenure of any American law school dean.
