

2022 PRO BONO CUSTODY CLINICS

Please consider signing up to volunteer at one of our 2022 Pro Bono Custody Clinics. The clinics will continue to be virtual at least through the end of the year – by now I am sure you are all experts on zoom! But even if you are not, we have plenty of support from fantastic law student volunteers to help with the technology. We are again using Sign Up Genius for registration. However, if it is easier for you, please just let me know what dates you want and I would be happy to add you to the Sign Up Genius list.

Pro Se Custody Clinics – to sign up, please go to [Dauphin County Bar Association: 2022 Custody Clinics \(signupgenius.com\)](https://www.signupgenius.com) Please let me know if you have any problems using Sign Up Genius.
