

PRO BONO NEWS

NAME CHANGE ASSISTANCE CLINIC: OutLaw, Dickinson Law's LGBTQ+ student organization, is looking for attorney volunteers for its Name Change Assistance Clinic. Volunteer attorneys are needed and appreciated for the guidance and legal experience they can provide to student volunteers and attendees. Clinic attendees may have questions that student volunteers cannot answer, and we would like to have attorney volunteers available to respond to those questions.

The free clinic is designed to provide attendees the proper paperwork and guidance on the legal name change process for residents of Cumberland, Dauphin, Lancaster, Perry, and York County. Neither the students nor the attendees are or will be under the impression that the clinic is a place to receive legal advice.

A recorded training session will be available; interested attorneys may contact Hannah Betz at heb5307@psu.edu for the link.

Dates and times for the clinic sessions are listed below.

FALL DATES

All clinics are Thursday, 7-9pm

October 6 | October 20 | November 3 | November 17

The Clinic will be held at Dickinson Law (150 South College St., Carlisle, PA 17013).

If you are interested in volunteering for any of the clinic dates and times, please send an email to Hannah Betz, heb5307@psu.edu, indicating the dates you can come and/or any questions you have.
