In 2019 Dauphin County CASA joined 19 other programs in Pennsylvania to provide court-appointed volunteer advocates who will be specially trained to advocate for abused and neglected children in the dependency and delinquency system. CASA involvement improves the likelihood of adoption, decreases the reenter of children back into foster care, decreases the time in foster care and the children with a CASA are more likely to achieve permanency. Learn how this happened in Dauphin County, how the volunteers were trained and how the CASA volunteers are impacting the most vulnerable children in Dauphin County.

Pursuant to Continuing Legal Education Rules, this program has been approved by the PA CLE Board for one (1) substantive credit for all attendees who participate in the complete program.
