

Good Afternoon

Effective immediately, our fax numbers are changing.

The fax number for the Harrisburg Social Security Office:

(833) 950-2890

Use of this new fax number will route documents directly into our automated system, since most of our employees are now teleworking, this will assist Social Security with getting the work to the proper employees. Our old fax machines, remain operational, produce a paper output, which, as you can imagine, is causing difficulty now that our staff is outside of our physical offices.

I've also attached a spreadsheet that gives you all of the new fax numbers for offices across PA (excluding Pittsburgh and Philadelphia), just in case you ever deal with any other Social Security Offices.

Please feel free to share this information.

Feel free to contact myself, or Ricardo Roman (Ricardo.Roman@ssa.gov), assistant manager of the Harrisburg Field Office at (877) 490-9531 Ext - 14501, if you have any questions.
