The late Judge Todd A. Hoover established the Pro Bono Guardianship program in conjunction with the Dauphin County Bar Association to provide a way for the court to fulfill its oversight obligation for guardianships. This program provides a unique way for an attorney to fulfill their pro bono obligation. The monitor does not serve in the role of an attorney but visits with the incapacitated person and guardian at least once a year and submits a report to the Court. The reports alert the Court to any potential issues and it provides the guardian with a contact as they undertake the responsibility of making personal and financial decisions for the incapacitated person. The CLE will introduce attendees to the program and hopefully encourage more members of the bar to fulfill their pro bono obligations in this unique way.

Pursuant to Continuing Legal Education Rules, this program has been approved by the PA CLE Board for one hour of substantive *CLE credit for all attendees who participate in the complete program.

Materials will be emailed to registrations by 12 Noon, Monday, August 23, 2021.

There is **NO CHARGE** if you are willing to participate in the Hon. Todd A. Hoover Pro Bono Guardian Monitor Program during the next year. Otherwise, the cost of the program is \$10 for student members, \$25 for paralegals, \$30 for DCBA members or \$45 for attorney non-members.

***All live webcast distance learning credits in 2021 will be considered live CLE credits.**
